I hereby acknowledge that I have read this application and state that the above information is true and correct and agree to comply with all City Ordinances and State Laws regulating building construction.

I hereby certify that the elevation on the lot or area upon which the building is to be constructed and the floor elevation of the building is sufficient to protect the lot and building against storm drainage caused by excessive rains or flash floods. Also that the sewage will flow by gravity from the building and lot into the city sanitary sewerage system.

As a builder, I hereby agree to protect all public improvements and public utilities adjacent to or serving the property on which the structure or structures covered in this building permit are located whether or not the said improvements or utilities are the property of the City of Phenix City, I further agree to make or cause to have made repairs, satisfactory to the City of Phenix City, to any damage to these public improvements or utilities resulting from the actions, misuse or lack of care on the part of any of my employees, agents, subcontractors or suppliers of material of said public improvements or utilities.
