**RE:** Cemetery Fees

---

The City proposes setting a fee schedule for burials within cemeteries owned and maintained by the City of Phenix City. This fee will be applicable for all cemeteries owned and maintained by the City of Phenix City and will be the same for each cemetery. This will allow the fee for the cemeteries in different locations to be consistent throughout the City. These fees will be used toward the upkeep and maintenance of the City owned cemeteries.

If you concur, please place the attached resolution on the next Council agenda. If you have any questions, please let me know.
