MEDIA RELEASE

Advanced Disposal Services has been tracking the news of the coronavirus (COVID-19) both locally and globally. As you're likely aware, there are numerous confirmed cases around the country.. While we know this virus is primarily spread through close contact, we want to take precautionary measures to create a safe and healthy environment for Advanced Disposal employees.

In an effort to minimize our employees exposure, effective March 30, 2020, we will continue to provide curbside collection services, however, **we will only collect waste that is inside of our carts.** Any extra trash outside of the cart that requires our employees to touch by hand will not be collected.

While we cannot provide a time period as to how long these changes will be in place, we do anticipate resuming with the regular service as it pertains to the contract.
