Phenix City Parks & Recreation | Ball Field Use Requirements

June 4, 2020

According to the Alabama Statewide Public Health Order issued by the governor, the operator of any business, government office, or other establishment open to the public shall take reasonable steps, where practicable, to protect their customers, constituents, or other guest by:

- Use of a cloth face covering while in the complex or in park areas is required. If a face covering is not being worn, temperature checks of players and coaches with a no-touch thermometer is mandatory.
- Players, coaches, officials, and spectators should refrain from high fives, handshakes, and other physical contact except for extent necessary
- No spectators during practice
- No sharing of water coolers, drinking stations, water bottles, cups, or other drinking devices
- No sharing of equipment including bats, gloves, helmets, and any other equipment by players
- Use of a designated entrance and a separate, clearly designated exit to help maintain social distancing
- One person in the restroom at a time; an employee to sanitize restroom after every use
- Hand sanitizer stations placed inside the complex
- Posted signage reminding citizens to maintain six feet of separation between such persons (except for those who share the same household); to wash hands frequently
- Posted signage at play areas to remind citizens to stay home when feeling ill; participate at your own risk
- Encourage parents and citizens to comply with guidelines set by the CDC and ADPH
- Citizens are to play at their own risk
